Who We Are

Welcome Home

What sets us apart from the other treatment centers? A lot of little things... but when you add them all up it is a feeling. A feeling of belonging, of safety, and of warmth. A place you can call home.

Our Journey thus far...

For a decade the Nile was a maternity home, a haven for expectant women and their children. January 2016 marked the launch of our new expanded program focusing on drug and alcohol client treatment for women including expectant mothers. Our current facility, a 6000 sq. ft. residence, nestled in Versailles, KY, is a State Licensed AODE and BHSO. CARF International has accredited Nile-ART as a Residential Treatment for AOD/MH (Adults)
